

Requirements for Group Instruction

Instructing in our facility must be requested at least one working day prior to the visit: kurse@pilatusindoor.ch or +41 41 310 02 87. Please note that without prior registration, we cannot guarantee admission.

In our facility, **instructing** people in **toprope** or **lead** climbing is only permitted with a valid **VSBK license**.

Exceptions

- **SBV mountain guides and SBV climbing instructors** may instruct in our facility according to the VSBK standards, provided they have completed the relevant VSBK continuing education. Please note: The VSBK continuing education can be arranged through the SBV education manager.
- **J+S instructors** may conduct official J+S courses, provided they follow VSBK standards. Please note: This regulation does not authorize J+S leaders to provide training in our facility in a private capacity.

Why VSBK?

The VSBK develops, maintains, and continuously updates standards and guidelines for climbing facilities in Switzerland. Every guest has the right to be trained according to the latest safety standards. For this reason, VSBK standards apply in our facility.
